

07 November 2022

Dear Parent/Guardian

Surrey Hills Primary School is looking forward to a productive year of learning in 2023 and would like to advise you of the voluntary financial contributions for next year. Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary.

SHPS is proud of the enhanced educational program and activities delivered to our students and makes every effort to keep the cost of items and activities to a minimum and affordable for all families.

This is achieved through bulk purchases of classroom requisites, which ensures the added advantage of all children having access to identical materials. In addition, SHPS continues to invest in IT hardware, software, networking and support to deliver outstanding programs, thereby eliminating the need for parents to provide personal IT devices for onsite learning.

Furthermore, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for your assistance, whether that's through supporting our teaching staff, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

## Payment Methods

The Compass Parent Portal enables you to do the following:

- Update your registered email and mobile number (used for SMS alerts)
